Manage the Form Widgets

Shopreview for Shopware for Magento 1

Manage the Form Widgets

1 Manage Widgets

2 Add to layout

Manage Widgets

There are 3 widgets for display in the store:

- Shopreview Form
- Shopreview List
- Shopreview Widget

To add a widget to the page, go to the "Content" menu item and select "Shopping Experiences".

Add to layout

Create a new layout or edit the existing layout.

Open the section for adding blocks.

Choose "Block category" - "Form"

Add the required form to the page.

Save the configuration.

For a complete overview of features and configuration options, see the Shopreview for Shopware extension on magmodules.eu
