

Quick Start Guide

Google Merchant Reviews for Magento 2

This is the quick start guide for [Google Merchant Reviews](#). We'll get you up and running in about 5 minutes. You'll enable the survey opt-in on your checkout success page and optionally display the Google review badge. Before you start, make sure you have your Google Merchant Center account ready.

Get Google Merchant Reviews running in 5 minutes.

Prerequisites

- Module installed and enabled
- Cache cleared
- Google Merchant Center account with Merchant ID

Step 1: Find Your Merchant ID

Your Merchant ID is required for both the survey opt-in and the badge.

1. Sign in to [Google Merchant Center](#)
2. Click the settings icon (gear) in the top right
3. Your Merchant ID is displayed at the top

Keep this number handy - you'll need it in the next steps.

Step 2: Enable the Module

Navigate to: **Stores** → **Configuration** → **Magmodules** → **Google Merchant Reviews**

In the **General** section:

- Set **Enabled** to **Yes**

Step 3: Configure Survey Opt-In

In the **Survey email opt-in** section:

- **Enabled:** Yes
- **MerchantID:** Enter your Merchant ID from Step 1
- **Style:** Center Dialog (recommended for visibility)
- **Days for deliver:** Enter your typical shipping + delivery time (e.g., 5)

Save the configuration.

Step 4: Configure the Badge (Optional)

In the **Google Review Badge** section:

- **Enabled:** Yes
- **MerchantID:** Enter your Merchant ID
- **Position:** Bottom Right (most common)
- **Language:** Select your store's language

Save the configuration.

Step 5: Test Your Setup

Before going live, test your implementation:

1. Go to **Testing & Logging** section
2. Enable **Test Mode**
3. Save configuration
4. Place a test order and complete checkout
5. Verify the opt-in dialog appears on the success page
6. Check that the badge appears on your site (if enabled)

Once confirmed working, disable Test Mode to go live.

Verification Checklist

- Module enabled
- Merchant ID entered correctly
- Survey opt-in appears on checkout success
- Badge displays (if enabled)
- Test Mode disabled for production
