CLI Commands

Google Business Reviews for Magento 2

Command-line tools for Google Business Reviews.

Available Commands

Command	Description
`shopreview:googlereviews:sync`	Synchronize reviews from Google
`shopreview:googlereviews:import-new`	Import only new reviews
`shopreview:googlereviews:selftest`	Run diagnostic self-test

Sync Reviews

```
bin/magento shopreview:googlereviews:sync [--all]
```

- Without options: Incremental sync
- `--all`: Full resync of all reviews

Import New Reviews

```
bin/magento shopreview:googlereviews:import-new
```

Imports only new reviews since last sync. This runs via cron.

Self-Test

```
bin/magento shopreview:googlereviews:selftest
```

Checks extension health and configuration.
